CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors (the “Directors”) of Grace Wine Holdings Limited (“Grace Wine” or the “Company”, and together with its subsidiaries, the “Group”, “we” or “our”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

2. BASIS OF PREPARATION

The unaudited condensed consolidated financial information of the Group has been prepared to comply with the applicable disclosure requirements of the GEM Listing Rules.

The unaudited condensed consolidated financial information does not include all the information and disclosures required in the annual financial statements and should read in conjunction with the Group’s annual financial statements for the year ended 31 December 2017 as included in Appendix I to the prospectus of the Company dated 12 June 2018 (the “**Prospectus**”).

The unaudited condensed consolidated financial information of the Group has been prepared in accordance with the same accounting policies adopted in the Accountants’ Report included in Appendix I to the Prospectus, except for the adoption of the following new and revised Hong Kong Financial Reporting Standards (“**HKFRSs**”) (which include all HKFRSs, Hong Kong Accounting Standards (“**HKASs**”) and Interpretations) that affect the Group and are adopted for the first time for the current period’s financial statements:

HKFRS 9	<i>Financial instruments</i>
Amendments to HKFRS 15	<i>Revenue from contracts with customers</i>
HK(IFRIC)-Int 22	<i>Foreign currency transactions and advance consideration</i>

None of these developments have had a material effect on how the Group’s results and financial position for the current or prior periods have been prepared or presented in this unaudited condensed consolidated financial information. BUSINESS REVIEW

The Group is engaged in wine production business in Ningxia and Shanxi province and wine distribution business. During the nine months ended 30 September 2018 (“**3Q2018**”), the Group has recorded a decrease in gross profit as compared to the nine months ended 30 September 2017 (“**3Q2017**”), due to the drop in sales and increase in cost of the wine sold during 3Q2018. We anticipate that the gross profit margin will increase when the inventory of higher average unit production costs are fully digested next year.

OUTLOOK

We will continue to grow our sales by strengthening the distribution channels and marketing efforts, including but not limited to the online sales by key opinion leaders or via other platforms. Also, based on the average unit costs of the existing inventory and work-in-progress, we expect the cost of sales will decrease and hence the gross profit margin will increase in the coming year.

FINANCIAL REVIEW

Revenue

Our revenue decreased by RMB5.0 million or 9.3% from RMB54.0 million for 3Q2017 to RMB49.0 million for 3Q2018, primarily due to the decrease in sales by our distributor, Shanxi Jiajia, as a result of the sales downturn in the Shanxi province from July to September 2018.

We sold 808,000 bottles in 3Q2018 as compared to 945,000 bottles in 3Q2017. The average selling price increased from RMB57.0 in 3Q2017 to RMB60.4 in 3Q2018, due to the increase in the proportion of sales of our high-end wine portfolio, which have higher selling prices.

Cost of sales

Our cost of sales increased by RMB5.8 million or 20.5% from RMB28.3 million for 3Q2017 to RMB34.1 million for 3Q2018, primarily due to the increase in unit costs of production of the inventory sold during the period which was produced in years of lower production level and thus a higher absorption of the fixed costs per unit.

Gross profit and gross profit margin

Our overall gross profit decreased by RMB10.8 million or 42.2% from RMB25.7 million for 3Q2017 to RMB14.9 million for 3Q2018, due to the decrease in sales and increase in cost of sales as aforementioned. Our overall gross profit margin decreased from 47.6% for 3Q2017 to 30.3% for 3Q2018, mainly due to the increase in the unit cost of wine sold as aforementioned.

Other income and gains, net

Other net income and gains increased by RMB4.5 million or 2.3 times from RMB2.0 million for 3Q2017 to RMB6.5 million for 3Q2018, mainly due to the gain on disposal of subsidiaries amounted to RMB5.7 million for 3Q2018.

Selling and distribution expenses

Selling and distribution expenses increased by RMB0.4 million or 17.7% from RMB2.3 million for 3Q2017 to RMB2.7 million for 3Q2018, mainly due to the increase in promotion and exhibition expenses.

Administrative expenses

Administrative expenses increased by RMB1.5 million or 9.2% from RMB17.0 million for 3Q2017 to RMB18.5 million for 3Q2018, which was mainly attributable to (i) the increase in the sub-lease of our office premises and the shared administrative services by RMB0.7 million from RMB0.4 million for 3Q2017 to RMB1.0 million for 3Q2018; (ii) our Directors' fees increased by RMB0.8 million from RMB0.1 million for 3Q2017 to RMB0.9 million for 3Q2018.

Finance costs, net

No finance cost was incurred for 3Q2018 as compared to RMB0.4 million in 3Q2017 due to the full repayment of our bank loans in the previous year.

Income tax credit/(expense)

Income tax credit amounting to RMB3.7 million was recorded for 3Q2018 as compared to income tax expense of RMB5.6 million for 3Q2017, which was mainly attributable to (i) the reversal of the deferred taxation provision made in previous years amounting to RMB6.7 million for 3Q2018, and (ii) the decrease in current tax provision due to the decrease in profit before tax in our PRC operating subsidiaries. Deferred tax provision was made for the withholding tax payable upon the dividend payment from the PRC subsidiaries to offshore subsidiaries. During the quarter ended 30 September 2018, the Board had resolved that the dividend payout ratio of the PRC subsidiaries, with the consideration of the past experience and future capital requirement plans, should not exceed 30% of their distributable profits. As a result, the deferred taxation provision previously made with the basis of a dividend payout ratio by the PRC subsidiaries at 100% should be adjusted to 30% accordingly. The effect of the reversal of such provision was a gain of RMB6.7 million recognised as the profit for the period.

Profit for the period

As a result of the foregoing, our profit for the period increased by RMB1.1 million or 47.9% from RMB2.3 million for 3Q2017 to RMB3.4 million for 3Q2018, and our net profit margin increased from 4.3% in 3Q2017 to 7.0% in 3Q2018.

Dividends

The Board does not recommend the payment of any dividend for 3Q2018 (3Q2017: Nil).
